Instructions:

Print out this sheet, cut out your commitment card [it's about the size of a business card] and carry it in your wallet or post it somewhere in your house. Proudly display it as a reminder that this is the Year for Priests and you are answering the call to pray for them. Share this link with others so they can commit to praying a Rosary for a priest. You can even [bookmark this page](#) so that when you want to send a commitment letter to another priest you can easily find it.

Below is a template letter you can send to your priest or copy and paste it into your email if he likes to get mail electronically. He will be happy to hear that you are praying for him.
